

Addendum

Variation to the terms of the Premier Ducts Pty Ltd and Mr Tran (Premier) Enforceable Undertaking (EU) accepted on 14 April 22

A variation to the following terms of the Premier EU is proposed:

- **Under Term 3.2.6 – Audits of OHS Management System:**

- Minimum Costs \$30,000.

Replace minimum cost with:

- Minimum Costs \$9,000.

- **Create new term:**

- **Term 3.2.10 - Plant & Equipment Priority Plan & Actions**

Following the findings of the Plant & Equipment Risk Assessments conducted under Term 3.2.9 by Sau Van Tran, Premier Ducts (Qld) Pty Ltd will develop a Plant & Equipment Priority Plan and commit the following minimum costs to implementing priority actions arising from the assessments. The Plant & Equipment Priority Plan will be completed within 6 months from acceptance of this variation.

Premier Ducts (Qld) Pty Ltd will provide the regulator with the following evidence for this term:

- Plant & Equipment Priority Plan.
- Invoices and receipts of expenditure for Plant & Equipment Priority Plan actions.

Minimum Costs \$21,000.
